Wichita is the largest city in Kansas and county seat of Sedgewick County. Major highways, including the Kansas Turnpike, US 400 and Interstate I-135, link the city with a large trade area that encompasses a population of more than one million people within a 100-mile radius. The nearest large cities are Denver to the west, Kansas City to the northeast, Oklahoma City to the south, and Tulsa to the southeast.

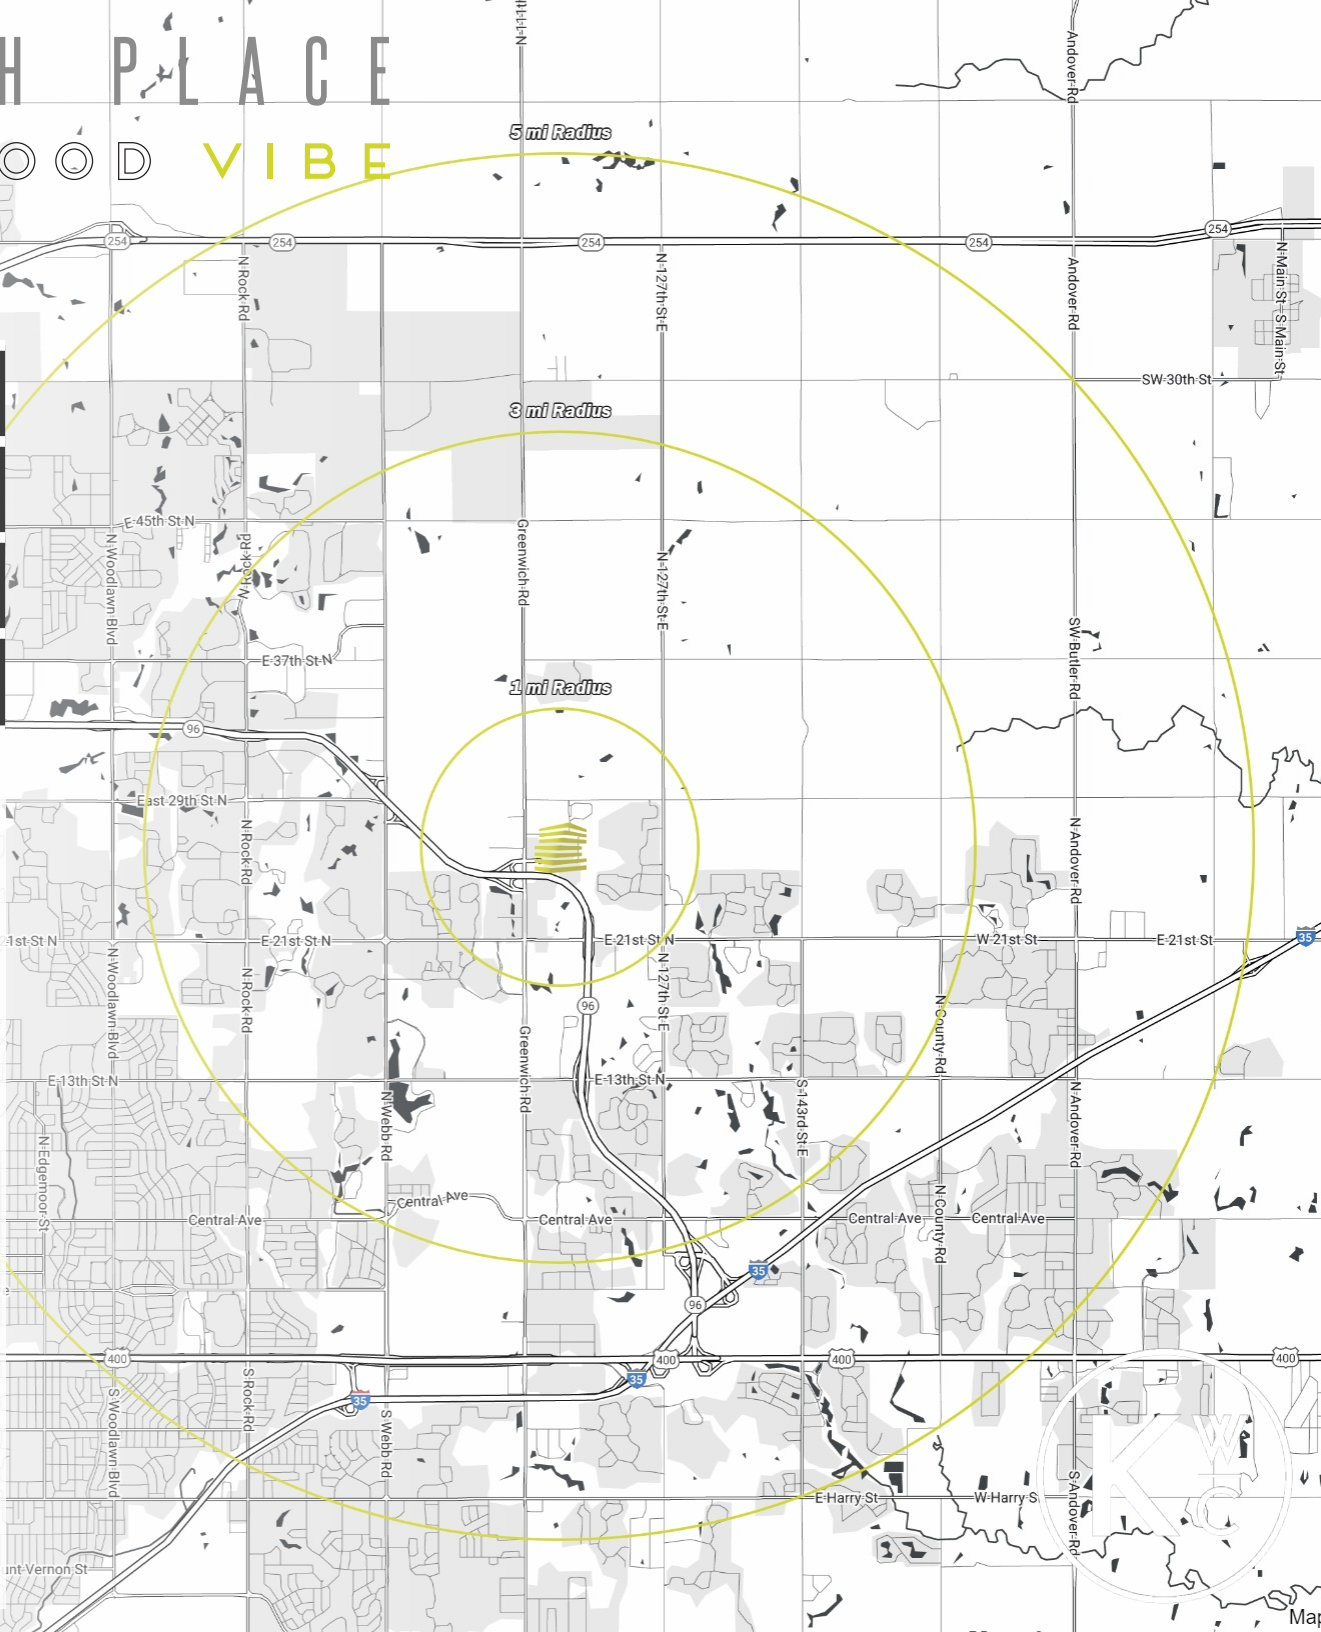

In the 20th century, aircraft pioneers such as Clyde Cessna, Walter Beech and Bill Lear began projects that would lead to Wichita's establishment as the "Air Capital of the World." In 1917, the Cessna Comet was the first airplane that was manufactured in Wichita. Cessna and Beechcraft remain based in Wichita today, along with Learjet and Spirit Aerosystems. Airbus maintains a workforce in Wichita. Since the growth of the aircraft industry began during the inter-war years, Wichita has been a leading producer of general aviation and commercial aircraft. McConnell Air Force Base was activated in 1951 and has remained an important factor in the community.

Wichita has long been known as a center of entrepreneurship. In addition to aircraft pioneers, Fred Koch founded Koch Industries in Wichita, and Dan and Frank Carney founded Pizza Hut. Coleman, Freddy's Frozen Custard, and many other successful companies also began in Wichita.

Wichita has evolved into a cultural and entertainment center. The downtown district offers restaurants, retail shops, museums and parks. INTRUST Bank Arena, located in downtown Wichita, features a total potential capacity of over 15,000.

Several universities are located in Wichita, the largest being Wichita State University. Wichita State University was founded as Fairmount College in 1895 as a municipal university, and joined the State Board of Regents system in 1964. Friends University and Newman University are also located in Wichita.

In July 2011, Wichita, Kansas ranked 8th on the list of the 10 best value cities. In February 2013, Wichita was ranked 23 of 102 major markets for small-business vitality. Commute times are the lowest among the 100 major metropolitan markets. Wichita has also been named the most "Uniquely American" city by Newsmax Magazine, in addition to being designated an "All-American City" four times.
